What is Catholic Engaged Encounter (CEE)?

CEE is a weekend designed for couples who are preparing for a Sacramental Marriage in the Catholic Church. While it is spent with other engaged couples, the focus is on private time for the couples to build on a closer relationship. The weekend gives the couple time to discuss their future lives together with their strengths, weaknesses, desires, ambitions, and goals as well as their attitudes about money, children, family, intimacy and their role in church and society.

CEE is a Diocesan approved program.

You should consult with the priest supervising your preparation for marriage to determine the exact requirements of marriage preparation in your parish and diocese.

What happens on the weekend?

Through a series of presentations by two married couples and a priest, the engaged couple is encouraged to discuss privately all aspects of their forthcoming married life. Their discussion is always from the viewpoint of their own relationship. Personal reflection and dialogue time becomes the main focus of the weekend. Meals with the other couples and some group discussions will provide some group interaction.

When is the weekend held?

Catholic Engaged Encounter weekends are held per the list on the right. We encourage you to make your reservations at *least four months prior* to the wedding date you desire, as many weekends are filled quickly. The weekend begins Friday night at 8 p.m. and concludes around 4 p.m. Sunday following Mass. The couple **MUST STAY** the entire time to derive the full benefit from the weekend. Certificates of attendance will be presented after Mass.

Where is the weekend held?

Weekends are held at Savior Pastoral Center in Kansas City, KS. After the couple returns the reservation form with their check, a confirmation email will be sent showing the assigned weekend. The confirming email will include detailed instructions about what you would need to bring and directions to the facility.

What is the cost?

The cost is \$225 per couple, which includes 5 meals, two nights lodging and all supplies needed. Couples are waiting to get on weekends and availability is limited to the number which can be accommodated, so refunds will only be given if the slot held for you can be filled.

How do you register for a weekend?
