A WEDDING IS A DAY, A MARRIAGE IS A LIFETIME

## What is Catholic Engaged Encounter (CEE)?

CEE is a weekend designed for couples who are preparing for a Sacramental Marriage in the Catholic Church. While it is spent with other engaged couples, the focus is on private time for the couples to build on a closer relationship. The weekend gives the couple time to discuss their future lives together. This includes their strengths, weaknesses, desires, ambitions, goals, as well as their attitudes about money, children, family, intimacy and their role in the church and society.

## CEE is a Diocesan approved program.

However, you should consult with the priest supervising your marriage preparation to determine the exact requirements in your parish and diocese.

## What happens on the weekend?

Through a series of presentations by two married couples and a priest, the engaged couple is encouraged to privately discuss all aspects of their forthcoming married life. Their discussion is always from the viewpoint of their own relationship. The couple's personal reflection and dialogue time becomes the focus of the weekend.

## When is the weekend held?
