Parish Implementation Guide

Year Two

Equipping the Family: Having Critical Conversations

Safe Haven Sunday is celebrating its second year of raising awareness throughout dioceses and parishes in the United States regarding the negative impacts of pornography on individuals, marriages, families and society.

Safe Haven Sunday is a weekend set aside by dioceses and parishes to directly address the harms of pornography in an appropriate way. Within the context of the Mass, dioceses and parishes are able to provide teaching and resources that will support individuals, marriages and families in making all homes a safe haven.

It is inspired by the United States Conference of Catholic Bishops' formal statement *Create in Me a Clean Heart: A Pastoral Response to Pornography*, in which they explain, "The use of pornography by anyone in the home deprives the home of its role as a **safe haven** and has negative effects throughout a family's life and across generations."

Implementing Safe Haven Sunday is accomplished by following the included step-by-step instructions.

Frequently Asked Questions

Q. What is Safe Haven Sunday?

A. It is a weekend within the liturgical calendar selected by the diocese or parish to directly address the harms of pornography and to provide resources to support and protect individuals, marriages, and families in overcoming pornography and making their homes safe.

Q. Why is Covenant Eyes involved with Safe Haven Sunday?

A. Covenant Eyes is committed to creating faith-based resources that foster the virtue of chastity and the tools to overcome pornography use and addiction (their flagship service is Internet Accountability and Filtering). Safe Haven Sunday is one of the many resources Covenant Eyes has developed to assist U.S. dioceses and parishes in implementing the USCCB's formal statement *Create in Me a Clean Heart: A Pastoral Response to Pornography*, one step at a time.

Q. Is Safe Haven Sunday an annual initiative?

A. Yes. It is an annual initiative in the life of a diocese and/or parish which occurs on a selected weekend to educate and form individuals, marriages, and families on the harms of pornography and digital safety. New implementation materials are designed every year that reflect the annual theme to assist diocesan and parish leaders with the promotion and implementation of Safe Haven Sunday.

Q. What is the theme for Safe Haven Sunday?

A. This year's theme is Equipping the Family: Having Critical Conversations.

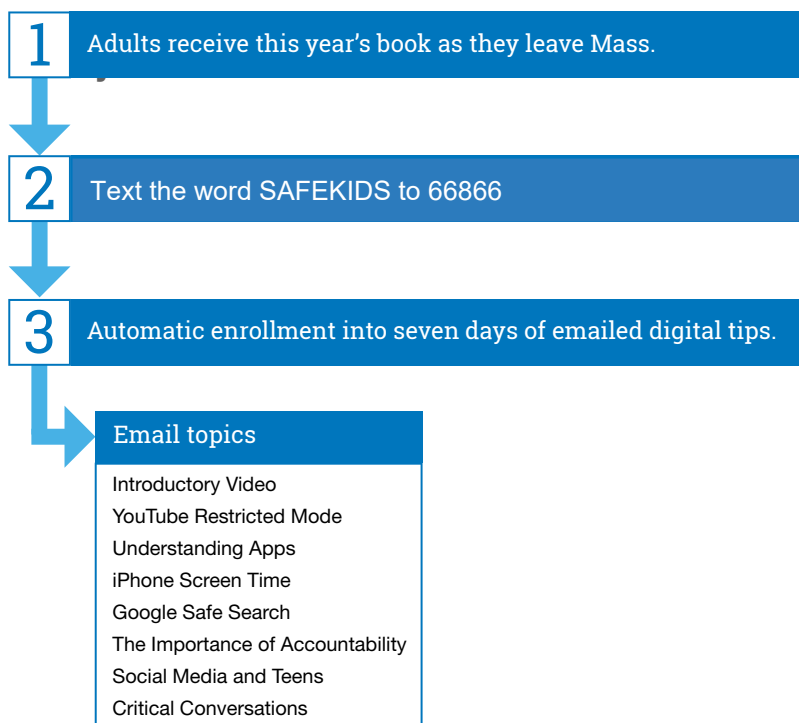

Q. Is Safe Haven Sunday implemented at the diocesan or parish level?

A. Both. This is a weekend that can be initiated by a diocese and/or parish. If the diocesan bishop requests that parishes implement this weekend, the diocese plays a leading role in the weekend, primarily by way of communicating necessary actions to implement the weekend and at the same time spearheading communication with the

parishes and the public. The parish role is to provide communications to parishioners and implement Safe Haven Sunday, and which usually includes providing parishioners with this year's educational resource, *Confident: Helping Parents Navigate Online Exposure*.

Q. What role does the parish priest have in the implementation of Safe Haven Sunday?

A. This effort is designed to be led primarily by the parish priest. He will be provided all the tools to make Safe Haven Sunday a success, including homily helps, general intercessions, prayer card, bulletin blurbs and insert, as well as the opportunity to purchase educational resources to distribute to parishioners, which includes the Covenant Eyes' book, *Confident: Helping Parents Navigate Online Exposure*, which is available in both English and Spanish, and a free seven day text-to-opt-in program, also available in English and Spanish, which provides practical tips that adults can take to create safer digital environments. **Throughout the book, readers are encouraged to sign-up for the seven day text-to-opt-in program by texting **SAFEKIDS** to 66866**

Also available in Spanish!

Q. Who sets the date for Safe Haven Sunday?

A. The diocese sets the date for their diocesan implementation. All parishes in the diocese usually celebrate Safe Haven Sunday on the same day.

Q. What costs are involved with Safe Haven Sunday?

A. The only cost involved is the purchasing of the book *Confident* (\$2/per book) and the printing of the official Safe Haven Sunday prayer card locally. If done in conjunction with the diocese, parishes place their book order by using the Book and Prayer Card Diocesan Order Form provided by the diocese. The diocese collects the order forms and checks, and then provides one check to Covenant Eyes for the books.

Q. How can I get my other questions answered as they arise?

A. Please contact a member of the Covenant Eyes Catholic Services Team shown on the next page.
